Jolly Phonics Extra teaches the skills needed for reading and writing.

Jolly Phonics Extra Pupil Book 1 introduces children to the main 42 letter sounds of the English language. Fun activities show the children how to use their letter-sound knowledge for reading and spelling. The first set of tricky words is taught through a number of innovative activities, and the correct way of forming each letter is illustrated. This book also introduces the children to a set of 'extra' symbols, which provide an alternative, phonically regular way of accessing some of the sounds.

Also available: *Jolly Phonics Extra Letter Sound Book*, *Jolly Phonics Extra Cards* (flash cards), *Jolly Phonics Extra Readers* and much more.
