

**Narrator:** Unit Five Test

Example.

**Ben:** Hi. My name's Ben. The animal I want to describe is white, and it lives in very cold countries. It hunts in the sea and it eats a lot of fish. I think it's a wonderful animal!

**Narrator:** 1

**Sophie:** I'm Sophie. Well, we have a lot of these animals in the house in the summer. They often hide in the shower. They're usually very small, and they have eight legs. Some people hate them, but I don't really mind them.

**Narrator:** 2

**Dan:** Hello! I'm Dan. The animals I want to tell you about are very intelligent, and they live together in families. They're really big. They're grey, and they've got very big ears. They live in Africa and India.

**Narrator:** 3

**Holly:** My name's Holly, and I want to tell you about my favourite animals. These animals are like horses. They're black and white, and I think they're really beautiful. They live in Africa.

**Narrator:** 4

**Josh:** Hello. I'm Josh! We've got three of these animals at home. They live with us, and they're my best friends! I walk with them to the park every day. They love running round the park together.

**Narrator:** 5

**Sarah:** Hi. My name's Sarah. Now, these animals can be very big. They're fish, and they live in the sea and hunt other sea animals. They can swim very fast.
