

Narrator: End-of-year Progress Test

Example.

Dan: My name's Dan, and I love going to our town museum and seeing all the ancient things that people found. It's amazing to think that the people who lived in our town used those things! Some of them are really beautiful. There's an old chess set there. I'd really like to have that!

Narrator: 1

Sophie: I'm Sophie, and I love going to the beach because we live in a big city and it's a long way from the sea. My family and I usually go there in the summer holidays. We go to the same lovely hotel every year, and it's brilliant. I go swimming every day, and when the waves are good, I go surfing. Wonderful!

Narrator: 2

Jake: I'm Jake! I love visiting my grandparents because my grandma's a good cook, and she always makes food we like. And I love their dog. We usually take it for a walk. We often have lunch and dinner in the garden, too, and that's so cool! We can't do that at home!

Narrator: 3

Carla: My name's Carla. We don't live in a big town, so it only takes five minutes to get to the forest. In the autumn, the trees are amazing. I love all the colours, and I often take photos and draw or paint pictures – that's great! Sometimes you can see wild horses, but it's usually really quiet.

Narrator: 4

Matt: I'm Matt – and don't laugh but my favourite place is a pizza restaurant. I always go there for my birthday. On Saturdays, there's a guitarist playing – that's my favourite thing there. And they have a special 'eat as much as you can for six pounds' deal. I'm sure they don't make much money when I'm there!

Narrator: 5

Lucy: I'm Lucy, and I want to be a vet when I leave school. So my favourite place is the zoo. It's expensive, so I don't go very often but I love it, especially the monkeys, elephants and tigers. I spend hours looking at them. I know some of them now, and they're really funny!
