Why is online shopping becoming more and more popular nearly (1)? There have never been (2) many shops in our cities and there has never been (3) a large variety of items on display in shop windows. So, what's wrong with traditional shops? 'Online shopping is cheaper,' says Tina, a shop assistant in London. 'The other day (4) came in, tried on lots of shirts, but didn't buy (5) He said he would look up the things he liked on the Internet! It's very frustrating. I wish I (6) my job!' However, there are other reasons why online shopping is (7) popular. 'I always shop online for things I can find (8) else,' says James. 'I like shopping for things online,' says Lucy, 'because when they arrive, it's like a present! It's (9) thrill!' Some people say that the main advantage of online shopping is convenience. 'Just think,' says Alex, 'No queues, no pressure, no travel problems ... (10) is just a click away, even in the middle of the night.'
