My worst holiday ever!

Logan

We went to Spain on holiday last year. On the second day, we went to the beach. It was hot, but cloudy. I didn't put on any sunscreen because it wasn't sunny, so I didn't think I needed it. I was wrong! We were on the beach for about seven hours and by the evening, I was very, very red. Everything hurt! I couldn't sleep that night and I couldn't really move for a few days. In the future I'm going to wear sunscreen every time I go to the beach!

Maisie

Last year my dad couldn't find his passport when we were at the airport. It was at home! We couldn't get on the plane so we had to get back into the car and go home. That took two hours! We got another flight the next day, but it was expensive. We couldn't spend much money when we were on holiday! Next time, my dad is going to check he's got his passport *before* we go to the airport.

Toby

My worst holiday was two years ago. When we got off the plane, we went to get our suitcases, but my suitcase wasn't there! It was lost. We were on a small island with no clothes shops, so I couldn't buy more clothes. I had to wear my dad's clothes, which were too big, or my brother's clothes, which were too small. I didn't send any selfies to my friends because I looked silly!
