

The first sentence

Find the words in the grid to write the missing sentence in each dialogue.

<p>1 A: B: That's not true. A: Yes, it is! You come in from school, turn it on and don't turn it off until you go to bed. Whenever I see you, you're sitting on the sofa staring at a game show or cartoon.</p>	<p>5 A:? B: Yes. My friends. They were supposed to be here 20 minutes ago. A: Well, they're probably stuck in traffic. It's really bad tonight. Why don't you phone them?</p>
<p>2 A: B: Yes, you do! You missed the first lesson yesterday. And on Monday you didn't get here until the break at 11 o'clock. A: Yes, I know, but that was unusual for me. I missed my bus and then the traffic was really bad.</p>	<p>6 A: B: Lucky you. We have to be in class at nine every day. A: Yes, but you finish an hour before us, so you go home earlier.</p>
<p>3 A: B: Are you sure? I thought it was the other way round. A: Yes, I know, but that was unusual for me. Oh, let me see. Yes, of course. I meant the moon. Silly me.</p>	<p>7 A: B: Wow! What do you talk about? A: Nothing really, we just say 'Hi, how are you?' and things like that.</p>
<p>4 A: B: That's really kind of you, but I don't agree. I have problems with grammar, and I often forget simple words. A: OK, but your pronunciation is excellent, and you have lots of confidence.</p>	<p>8 A: B: That's not true. You went to the cinema last Saturday. The Sunday before that we all went to the beach for a picnic. And this Saturday you're coming to a barbecue at my place. A: Oh, I forgot about that.</p>
