**Interviewer:** Did you have any problems?

**James:** Well, yes. At first we didn't sell very much but we tried to be positive.

**Interviewer:** That's very important. And what happened?

**James:** At the end of the day we sold all our products and we made over two hundred pounds for charity.

**Interviewer:** That's excellent. Congratulations. So James, what qualities have you got that make you a good candidate to work here?
