4b SKILLS 4 LIFE We are in contact with aliens from another part of the universe. This opens up new markets for popular products on Earth. Prepare a short presentation of a popular product to show to the aliens. Follow these steps.

- 1 Think of a popular product – something that helps us in our daily lives.
- 2 Think how to describe the object, and make a list of the reasons why it's useful.
- 3 Prepare a short presentation of the product for the aliens. Remember that they haven't seen the product before and need to know everything about it. Use these expressions to help you:
It's called ...
You use it for verb + -ing ... It's very useful when you need to ...

REFLECT ON IT

We often hear that we live in a consumer society, and that we buy a lot of things that we don't really need. Do you think this is true? Can you think of any examples? Do product presentations and adverts make us buy these things?
