

## Let's risk it

Turn over a card, choose a verb and write a sentence. Then decide how many points you want to risk.

### Verbs

arrive	call	chat	do	drink
eat	go	happen	hate	have
know	laugh	like	listen	look after
need	play	read	ride	run
shout	sit	study	take	understand
walk	want	watch	wear	work

### Points

We are 100% certain our sentence is correct. = 15 points  
 We are about 75% certain our sentence is correct. = 10 points  
 We are about 50% certain our sentence is correct. = 5 points

### Rules

<ul style="list-style-type: none"> <li>present simple</li> <li>affirmative</li> <li>with a/an/the</li> </ul>	<ul style="list-style-type: none"> <li>present simple</li> <li>negative</li> <li>without a/an/the</li> </ul>	<ul style="list-style-type: none"> <li>present continuous</li> <li>affirmative</li> <li>with a/an/the</li> </ul>	<ul style="list-style-type: none"> <li>present continuous</li> <li>negative</li> <li>without a/an/the</li> </ul>
<ul style="list-style-type: none"> <li>present simple</li> <li>affirmative</li> <li>without a/an/the</li> </ul>	<ul style="list-style-type: none"> <li>present simple</li> <li>question</li> <li>with a/an/the</li> </ul>	<ul style="list-style-type: none"> <li>present continuous</li> <li>affirmative</li> <li>without a/an/the</li> </ul>	<ul style="list-style-type: none"> <li>present continuous</li> <li>question</li> <li>with a/an/the</li> </ul>
<ul style="list-style-type: none"> <li>present simple</li> <li>negative</li> <li>with a/an/the</li> </ul>	<ul style="list-style-type: none"> <li>present simple</li> <li>question</li> <li>without a/an/the</li> </ul>	<ul style="list-style-type: none"> <li>present continuous</li> <li>negative</li> <li>with a/an/the</li> </ul>	<ul style="list-style-type: none"> <li>present continuous</li> <li>question</li> <li>without a/an/the</li> </ul>
