#### Dialogue

### 3 Listen to the dialogue. Which of her family members does Lily talk about?

Lily is staying with a host family in the UK. They are having their first meal together.

**Lily:** Thanks for showing me the photos. It's great to meet you!

**Sam:** Well, there's not much to tell you really as we are such a small family! There's only Mum and Dad and me. Tell me about your family.  
(1) .....

**Lily:** Yes, I've got some photos on my phone. There are six of us in my family. These are my two brothers, Nico and Jon. They are older than me. Nico is the oldest and he's at university. He's quite serious and reserved. Jon is really chatty and makes me laugh. (2) .....  
We get on really well together.

**Sam:** That's really cool. You're lucky to have two brothers.

**Lily:** And a little sister, too. (3) .....

**Sam:** What is she like?

**Lily:** I think she's a bit spoilt because she's the youngest. But I love her. I look after her when Mum is busy.

**Sam:** (4) ..... I expect she likes playing with you though – her big sister!

**Lily:** This is my Mum and my stepfather, Mark, in the garden at home. Mum's a photographer and she works for a magazine. Mark's an architect.

**Monica:** Your house looks lovely.  
(5) .....

**Lily:** Yes, it's a small village near the mountains. Here's a photo of me in the winter.

**Simon:** Wow! You look like a good skier!  
(6) .....

**Lily:** I love skiing – it's great fun! Oh, and I love taking photos!

**Sam:** We can see that! You must take after your mum!

### 4 Read and complete the dialogue with the phrases (a–f). Then listen again and check.

- |                                     |                              |
|-------------------------------------|------------------------------|
| a She's called Mandy and she's ten. | d Are you keen on skiing?    |
| b Do you live in a village?         | e Have you got any siblings? |
| c We go to the same school.         | f She looks really sweet!    |

- how to introduce a person or people in a photo
- how to ask about someone's personality
- how to look at a photo and guess about someone's personality or ability

Host: Ask your guest about their family, occupations and hobbies.

Guest: Answer the host's questions. Talk about how many people there are in your family, what they do and what they are like. Show some real photos, if possible.
