## The Benefits of Scrapbooking

Once thought of as an activity for children of primary school age, scrapbooking as a hobby has become all the rage. (1) ..... record a specific event in an artistic way or simply reflect your mood on paper, this enjoyable activity allows you to do so. It also provides a brilliant opportunity to record memories and tell stories in a creative way. Many scrapbookers say that (2) ..... they make a book about a holiday using their favourite photos with captions, not to mention various materials and textures, they don't feel that the trip is complete. So, if you have the desire to keep a record of your life, scrapbooking (3) ..... be for you.

This leisure activity is also said to bring many health benefits in view of the fact that the process of building a scrapbook can help you to relax and manage stress. Most importantly, if you (4) ..... it difficult to verbalise your feelings, scrapbooking can provide you with the opportunity to express and understand your emotions. Art therapists claim that if it (5) ..... for valuable activities like scrapbooking, many people would not be able to express their inner self.

There are also advantages on a practical level. Scrapbooking is something you can do from the comfort of your own home and is accessible to everyone (6) ..... you have the basic materials, namely paper, glue and scissors. However, if you happen (7) ..... at a loss for ideas and need advice on materials and design, many books and websites are now available. Besides, creating a digital scrapbook might be more your thing if you don't fancy all that cutting and sticking. (8) ..... you don't have the specific software packages, there is plenty you can do using basic computer programs.

What is more, (9) ..... you had the impression that scrapbooking was a lonely activity, you may have been misguided. Scrapbook parties as well as online forums are commonplace (10) ..... you feel like sharing your ideas or simply getting together with other aficionados.
