

<b>Description</b>	Students complete a puzzle with parts of the body
<b>Lesson link</b>	Use this activity after exercise 1d
<b>Time</b>	20 minutes
<b>Extra material</b>	Print out and photocopy one <i>Body puzzle</i> worksheet for each student

## Instructions

- a After SS have completed Vocabulary Bank *The body*, give each of them the puzzle to complete. Explain that SS need to read the clues and write the words in the squares.
- b When they have finished they should find a vertical word. This word is also a part of the body.

### Answers

- 1 stomach
- 2 teeth
- 3 nose
- 4 tongue
- 5 lips
- 6 hand
- 7 heart
- 8 hair
- 9 ears

vertical word = shoulders

## Body puzzle

**a** Read the clues and write in the words. All the answers are parts of the body.

**b** What is the vertical word?

### Clues

- 1 Food goes into this to be digested.
- 2 These are white, and nobody has more than 32.
- 3 You smell with this.
- 4 This is in your mouth – it helps you speak and eat.
- 5 You kiss with these.
- 6 There's a 90% chance you write with your right one.
- 7 If you're unlucky in love, then this is sometimes broken.
- 8 This can be blonde, black, grey, red, even blue or green!
- 9 You hear with these.
