

Description	Students rank everyday activities according to how long they spend doing them
Lesson link	Use this activity at the beginning of the lesson
Time	10 minutes
Extra material	None

Instructions

- a Write these activities on the board:

<p><i>reading emails</i></p> <p><i>watching TV</i></p> <p><i>reading a book</i></p> <p><i>brushing your teeth</i></p> <p><i>travelling</i></p> <p><i>eating lunch</i></p> <p><i>studying English</i></p> <p><i>having breakfast</i></p>

- b Ask SS to work individually and write down how many minutes they spend on each activity on a typical day.
- c Then put SS in small groups and get them to exchange and discuss their results.
- d Feed back in class – were SS similar in their use of time, or were there any big differences?
