Saturday 10 am

Hi guys, it's Dani here! It's the weekend! I'm writing this post in my room at home. My friend Pieter is here. We're playing video games. We play FIFA most Saturday mornings. What are you doing?

1 pm

Back online. We're sitting in a café in Amsterdam. I'm having a burger and milkshake, Pieter is having a sandwich. We're watching the people outside. There's a girl with a great outfit. She's wearing cool sunglasses, a retro dress and big black boots. She's waving at us!

2 pm

We're standing in a place called the Fashion Library. It's a clothes shop near the café. Mila, the girl from before, is telling us about it. People take clothes they don't want any more to the Fashion Library, so other people can wear them! Every month you pay a small amount of money, and then you can borrow any clothes you like. There are some amazing T-shirts, with great designs. I'm thinking about joining the library. Pieter's not sure – he's saving his money for a new pair of trainers!
