

### ORDERING FOOD AND DRINK

#### Student A

- 1 You are the shop assistant at this stall. Your partner is the customer. Serve the customer and complete the table. Then work out the total price.

Fruit/Vegetables	Quantity
1 _____	_____
2 _____	_____
3 _____	_____

You start the conversation:

You: Hi. Can I help you?

Your partner: I'd like ..., please.

#### Useful language

Can I help you?  
What kind?  
How many ... do you want?  
No worries!/No problem!  
Here you go.  
Is that everything?  
That's ..., please.

- 2 You are the customer at this shop. Choose and buy three different articles.

#### Useful language

I'd like a/an/some ...  
Can I have a/an/some ...?  
How much is that?

Your partner starts the conversation:

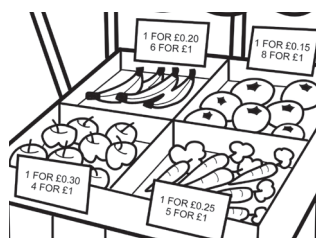

Your partner: Hi. Can I help you?

You: I'd like ..., please.

### ORDERING FOOD AND DRINK

#### Student B

- 1 You are the customer at this fruit and vegetable stall. Choose and buy three different things. Your partner starts the conversation:

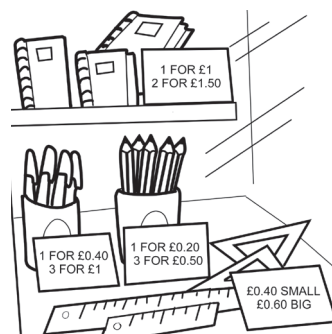

Your partner: Hi. Can I help you?

You: I'd like ..., please.

#### Useful language
