Hi Sofia

I'm at an adventure camp in Ireland and I'm having a great time!

We're learning lots of useful survival skills here. For example, today we learned how to <sup>1</sup> light a fire and then <sup>2</sup> cook food over it.

I'm staying in a wooden <sup>3</sup> chalet at the activity centre, but tomorrow we're going to camp in the forest. We aren't taking a <sup>4</sup> tent – we're going to <sup>5</sup> collect wood and <sup>6</sup> build a shelter to sleep in! We're taking food, but we're also going to learn how to <sup>7</sup> identify plants that are safe to eat and <sup>8</sup> catch fish in the river.

See you soon!

Clara

Hi Andy

I'm at an adventure camp in France and I'm having a great time! We're learning useful skills here. For example, we're learning to read a map and use a compass.

We're staying in big tents at the activity centre. Tomorrow we're going to identify plants and pick fruit in the forest.

See you soon!

Kyle
