Hi Sofia

I'm at an adventure camp in Ireland and I'm having a great time!

We're learning lots of useful survival skills here. For example, today we learned how to ¹_____ a fire and then ²_____ food over it.

I'm staying in a wooden ³_____ at the activity centre, but tomorrow we're going to camp in the forest. We aren't taking a ⁴_____ – we're going to ⁵_____ wood and ⁶_____ a shelter to sleep in! We're taking food, but we're also going to learn how to ⁷_____ plants that are safe to eat and ⁸_____ fish in the river.

See you soon!

Clara
