VIDEO WORKSHEET

Before you watch

1 Complete the text with the words in the box.

baking farm kitchen middle sheep

Jamie and Paul live on a ¹ farm. It's in the 'outback', a very big area in the ² middle of the country. Jamie and Paul don't go to school – they learn at home. For example, they have food technology classes in their ³ kitchen. They love ⁴ baking. They also help look after the ⁵ sheep on the farm.

2 Look at the photos and text in Exercise 1. Then read the questions. Can you guess the answers?

- What country do Jamie and Paul live in?
Australia
- Why can't they go to school?
Because they live far away from cities and towns.
- How do they study? Who teaches them?
They learn through the School of the Air.
They've got teachers, but they learn via the radio and the internet.
- Do they like living on a farm?
Yes, they do.

After you watch

6 Do you think it's better to go to school or learn at home? Why?

I think it's better to *go to school / learn at home* because because you can see your classmates every day. You can do science in the science lab and you can do P.E. in the sports hall or on the playing field. You can also use the school library.
