e a lot of special qualities.

- 5 Watch again and complete the sentences.

- 1 Long ago, horses were very important in daily life, for trade and for transport.
2 People needed camels for food, clothes and transport.
3 For many years, camels were the trains and the ships of the land.
4 Camels can drink 150 litres of water in ten minutes.
5 Camels can move fast and carry heavy loads.

After you watch

- 6 Find out about another animal that was important to people in the past. Choose one from the box or think of your own idea. Write about your animal.

cat dog elephant horse pigeon

- What special qualities has this animal got?
- Why was it important in the past?
- What jobs did it do?
- Is it important to people today?

Dogs are special because they're very friendly.
They can hear and smell better than humans. In the past, they were important because they did lots of different jobs. They helped look after animals on farms. Dogs are still important today.
