- LULA** Yeah. I'm having the time of my life with my cousins. We're really busy!
- BEN** What do you do every day?
- LULA** In the morning, we usually go to the beach or the swimming pool. But today we're going to a tech show!
- BEN** What's that?
- LULA** It's a show where you can see the latest electronic devices, you know, phones, cameras, video games, things like that.
- BEN** That sounds cool!
- LULA** Yeah. I'm really excited. My cousin Tamsin works for a company that designs apps. And there's a competition at the show, and Tamsin is hoping her app will win. She's a bit nervous, but I think the app is really good.
- BEN** Wow! I want to come with you. That sounds like so much fun!
- LULA** So, how's your summer? How's tennis camp?
- BEN** Oh, it's OK. But my tennis is so bad. I'm embarrassed because all the other people on the camp are really good. I hardly ever win a game!
- LULA** Don't worry. I'm sure that's not true!
- BEN** And I'm actually getting a bit bored with tennis after two weeks of it!
- LULA** Never mind. School starts soon! Anyway, I have to go now. We want to get the bus and it leaves in 15 minutes. Tamsin's waiting for me.
- BEN** Do you want to do a video chat when you get back later? I want to see photos of the show.
