

### THINK OUTSIDE THE BOX

#### Student A

- 1 Tell your partner how to make a paper bookmark. Use the instructions and the phrases in the box below.

#### How to make a paper bookmark

- You need paper, a pencil, a ruler, scissors and glue.
- Get a square piece of paper about 12 cm x 12 cm.
- Use a pencil and ruler to divide it into four equal squares.
- Cut out one of the squares.
- Keep the missing square top left and divide the bottom left square and the top right square into vertical triangles from top left to bottom right.
- Cut off one triangle from each square.
- Fold each remaining triangle down to the centre.
- Stick with glue. Then decorate it!

#### Giving instructions

First of all, ...

The next bit's ...

Once (something is done), ...

And there you have it!

- A My friend showed me how to make a paper bookmark. Would you like me to show you?
  - B Yeah, go for it!
- 2 Now it's your turn to follow instructions. Listen to your partner. Follow their instructions. Use the phrases in the box below.

#### Following instructions

Let me check I've got this right.

Oh, I see.

Then what?

What's next?

### THINK OUTSIDE THE BOX

#### Student B

- 1 Listen to your partner. Follow their instructions. Use the phrases in the box below.

#### Following instructions

Let me check I've got this right.

Oh, I see.

Then what?

What's next?

- 2 Now it's your turn to give instructions. Tell your partner how to make a paper boat. Use the instructions and the phrases in the box below.

#### How to make a paper boat

- Get a sheet of A4 paper.
- Fold the short sides together.
- Fold the top corners of the folded edge down to the centre. Leave a strip of about 3 cm at the bottom.
- Fold the extra strip down over the folded corners on one side.
- Fold the extra strip down over the folded corners on the other side.
- Pull out the edges so that the centre sticks up.
