#### 4 Complete the words in the text.

When we think about the health of our lovely blue <sup>1</sup>p\_\_\_\_\_, it often seems like everything is bad news. But this isn't always true. There are many projects to protect the natural <sup>2</sup>e\_\_\_\_\_. For example, some zoos have programmes to increase the population of <sup>3</sup>e\_\_\_\_\_ s\_\_\_\_\_. In some countries, renewable energy like <sup>4</sup>s\_\_\_\_\_ p\_\_\_\_\_ provides all the country's needs. New ways of recycling <sup>5</sup>w\_\_\_\_\_ are becoming the norm these days. Colombia's Amazon <sup>6</sup>r\_\_\_\_\_ has legal rights, just like a human, to try and keep it safe. Where deforestation has caused flooded <sup>7</sup>v\_\_\_\_\_, people are replanting trees. And many people work hard to protect the <sup>8</sup>c\_\_\_\_\_ from pollution, by cleaning up beaches.

#### 5 Look at the photos. Complete the sentences about how you would help to prevent this from happening.

- 1 To stop deforestation, I would \_\_\_\_\_
- 2 To prevent \_\_\_\_\_ from getting worse, I would \_\_\_\_\_
- 3 I would prevent air pollution by \_\_\_\_\_
- 4 I would protect \_\_\_\_\_ by \_\_\_\_\_
