

Name _____ Class _____ Date _____

1 Correct the underlined mistakes in the sentences.

- The planet wouldn't survive if we don't stop climate change. won't
- I won't come to your party if you help me clean up the beach tomorrow. unless
- Carbon dioxide levels increase if we don't do something urgently. will increase
- We might reduce waste if everybody will start recycling. starts
- Many marine animals couldn't die out unless we protect the oceans. could
- If there wasn't a change in people's attitude to the planet soon, we will have no future. isn't

2 Complete the text with the correct form of the verbs in the box.

ask be do have help join
think work

My cousin is starting a recycling campaign. He believes that if everyone ¹ thinks about how much waste they produce, they'll use less plastic and so there ² will be less pollution. He thinks that if he ³ asks lots of people to join him, they will. However, the first few friends he asked said things like 'Sorry, if I ⁴ had time, I ⁵ would join you, but I'm too busy', or 'If the government ⁶ did more to save the planet, I ⁷ would help too, but they don't.' But Jorge says, 'We won't save the planet unless we ⁸ work together.'

3 Complete the sentences about Ali's plans and dreams using the notes below.

Plans

Start recycling programme at school – everyone reduce their waste

Start an environmental group – get lots of members

Talk to the local government – put recycling bins all over the city

Dreams

Everyone stop use plastic – save the oceans

Eat less meat – protect the rainforests

Use renewable energy – reduce climate change

- If he starts a recycling programme at school, everyone will reduce their waste.
- If he starts an environmental group, it'll get lots of members.
- If he talks to the local government, they'll put recycling bins all over the city.
- If everyone stopped using plastic, we would save the oceans.
- If we all ate less meat, would protect the rainforests.
- If everyone used renewable energy, we would reduce climate change.

4 Complete the sentences about what you will do to help protect the planet, and what we could all do if we tried.

- If I stop Student's own answers
