

Name _____ Class _____ Date _____

YOU'RE DESTROYING MY HABITAT!

Before you watch

1 Match the photos with the words in the box.

coral reef endangered environment toxic

1 _____

2 _____

3 _____

4 _____

2 Look at the title of the video and the photos from Exercise 1. What do you think is destroying the places where animals live? Think of two or three possibilities and share them with a partner.

While you watch

3 Watch the video. Make a list of the things that endanger animals' habitats. Compare your list with your partner's. Were your answers to Exercise 2 correct?

4 Watch the video again. Complete the table about the animals and their habitats.

Animal	Habitat
1 sea turtle	
2 polar bear	
3 beaver	

5 Watch the video from 00:47 to 01:48. Complete the sentences with the numbers in the box.

10 100 15,000 150,000,000

- Sea turtles have been on our planet for _____ years.
- They can swim more than _____ kilometres each year.
- Polar bears can swim at _____ kilometres an hour.
- Polar bears can travel more than _____ kilometres to find food.

After you watch

6 With a partner, design a poster with suggestions about what we can do to preserve animal habitats. Show them to the class.

- Focus on EITHER the habitats from the video (coral reefs) OR the things that endanger these habitats (plastic).
- Think of one or two suggestions for each category. Then give your poster a title.
