☐ b will be liking ☒ d will like
- It's cold so ... a hot, tasty soup later.
☒ a I'm going to make ☒ c I'm making
☐ b I make ☐ d I'll have made
- You need to arrive before five o'clock or we ... all the cake without you!
☐ a will be eating ☒ c might eat
☒ b will have eaten ☐ d are eating

2 Complete the sentences with the correct form of the verbs in brackets. Use the future forms in the box. Sometimes more than one option is possible.

be going to future continuous
present continuous present simple
might will

- I 'll tell / 'm going to tell (tell) you later where the party is so keep checking your mobile.
- The government is making / is going to make (make) cookery lessons obligatory in schools next year! So we 're going to have to / 'll have to (have to) learn to cook!
- Let's hurry up because the film starts (start) in ten minutes and there might not be (not be) any seats left, you never know.
- I'm sure your party will be / is going to be (be) a huge success because so many people are coming / are going to come (come).
- We 're leaving / 're going to leave (leave) for Cuba this weekend and all next week we will be exploring (explore) the island.

3 Underline and correct the mistake in each sentence.

- This time next Wednesday, we'll be eaten seafood on the beach in Italy. eating
- I can't stay any longer because my train will leave in 30 minutes. leaves
- I'm not sure whether to buy my mum this ring as she will not like it. may / might
- Will the meat has cooking by the time the vegetables are ready? have cooked
- The new cookery series will have started next Monday, shall we watch it together? starts / is starting

4 Circle the correct options.

It's clear that the restaurants of the future ¹will be / are being / might be very different from the ones we go to now. In only about ten years' time, robots ²will have brought / bring / will be bringing food to our tables. We won't have to wait because we ³might order / will have ordered / will be ordering our food already from an app at home. If we haven't already ordered, the menu ⁴is going to show / shows / will show a hologram on the table of the food we can order. Some people say there ⁵isn't going to be / won't have been / isn't being enough meat for everyone, so we ⁶eat / will be eating / will have eaten very different food from now, like insects and laboratory-grown meat.

5 In your notebook, write five sentences about your plans, intentions, predictions and hopes for the future. Use the future perfect, future continuous, will, be going to or may / might.
