4 **Circle** the correct options.

It's clear that the restaurants of the future ¹*will be / are being / might be* very different from the ones we go to now. In only about ten years' time, robots ²*will have brought / bring / will be bringing* food to our tables. We won't have to wait because we ³*might order / will have ordered / will be ordering* our food already from an app at home. If we haven't already ordered, the menu ⁴*is going to show / shows / will show* a hologram on the table of the food we can order. Some people say there ⁵*isn't going to be / won't have been / isn't being* enough meat for everyone, so we ⁶*eat / will be eating / will have eaten* very different food from now, like insects and laboratory-grown meat.

5 **In your notebook, write five sentences about your plans, intentions, predictions and hopes for the future. Use the future perfect, future continuous, will, be going to or may / might.**
