4 In your notebook, write one question with the first conditional, one with the second and one with the third. Then swap the questions with a partner and write answers.

5 Complete the text with appropriate words.

When I was small, I used to look out at sea and say to my parents, 'I _____ sail around the world one day if I can.' One day, we saw a bottle in the sand. Inside was a piece of paper. It said, 'If you _____ this bottle, contact me and your life _____ change.' There was an address, so we wrote a letter. A month later, a reply arrived with plane tickets to Argentina. The writer was a rich scientist who was researching the ocean. He wrote, 'Thank you so much for your help. If everyone _____ as curious as you, science _____ advance much faster.' We flew to Argentina and had a great holiday. If I _____ seen that bottle, I _____ have gone to Argentina and I wouldn't _____ become an ocean researcher.
