- GIRL** I'd say it was.
- BOY** But my mum and dad loved it.

Conversation 3

- WOMAN** Right, next question. This one is for 10 points. What is the only country in the world named after a woman?
- MAN** Em ... wait I know this. ... Saint Lucia.
- WOMAN** Got it in one! You can't be serious. How did you know that?!

- GIRL** My mum went to the Atacama Desert a few years ago.
- BOY** Are you kidding me? Isn't that the driest place in the world?
- GIRL** Got it in one. It was an adventure holiday and she went to an old town there ... she slept the night under the stars and everything.
- BOY** I find that hard to believe. There must be somewhere to stay.
- GIRL** Seriously! There's nobody living in the town anymore so there isn't anywhere to sleep.

- BOY** Er ... not exactly. I just love watching those nature programmes on TV.
- GIRL** Oh, you can't be serious. They're so boring!
- BOY** Excuse me?!!

Unit 6

Conversation 1

- BOY** I can't do this. I just want to go home.
- GIRL** Don't worry, Jacob, you'll be fine.

BOY Come on! If you don't do this, you'll never forgive yourself.
GIRL I'm so nervous. I can't remember the words.
BOY Of course you can, Emma. It's just an audition. Just go out there and sing. They'll love you and you'll feel really proud afterwards.

GIRL Come on! I'm freezing. Just remember what the instructor said.
BOY That's **easy** for you to say. You've been doing this for years. It's my first time.
GIRL Don't worry! You'll be **fine**. Use your sticks. If you fall, just try to fall backwards onto the snow.

GIRL Oh, I'm totally stressed out. I have to be ready in ten minutes ... and look at my hair!

BOY Sure. It's easy.
GIRL Thanks, Leo. That's kind of you.
BOY Don't mention it. It'll be ready in two minutes.

Conversation 3

BOY Oh, no! Not again. Why won't it print the tickets? This is so annoying.
GIRL I can imagine. Have you tried switching it off and then switching it on again?
BOY Of course, Hollie! Don't you think that's the first thing I tried? You're not helping me.
GIRL Well, that's a little harsh. Why don't you check if the printer's connected?
BOY Alright ... Let's see. Hold on, I think you might be right.
GIRL Right, now try it again. It'll all be OK, you'll see.
BOY Yeah, thanks.

7.2 BOY Hi, Martha. What's the matter?

GIRL Well, I'm trying to finish this story for French class tomorrow.

BOY But this is a group project. Where are Eleanor and Alex? Why aren't they helping you?

GIRL They've gone skiing for the weekend. They said they told me about it but I swear they didn't. I'm writing the last part. We're supposed to send it by computer, but they've written their parts by hand.

BOY Well, that's not very nice. You look a bit stressed out.

GIRL Of course, I'm stressed out. I still haven't started on my notes. I can't believe how lazy they are!

BOY That's a little harsh. Maybe they did tell you and you forgot.

2 I'm trying to finish this story.

3 They've gone skiing.

4 You look a bit stressed out.

7.4 GIRL They didn't tell me they were going skiing. If they had, I would've remembered! I'm so annoyed with them.

BOY I can imagine ... they've left you to do all the hard work. But it'll be OK, you'll see.

GIRL Well, maybe if I could read Alex's writing, that would help! What a mess!

BOY Is there anything I can do to help? Maybe I could type their parts while you work on your part.

GIRL Oh, Theo, that's kind of you. Sit down here. Thanks, Theo – you're a real friend!

BOY Don't mention it, Martha. I'm glad to help.

BOY Oh, wow! Thanks Francesca.

Conversation 3

GIRL What's up, Joseph? You don't look happy.

BOY Well, I'm trying to remember my password for Instagram. I tried using the one I always use for my email, but it's not right.

GIRL You really ought to have different passwords for all your accounts. It's the best thing ... and the safest.

BOY Really? I forget them all the time. Just like today!

GIRL All you need to do is to memorise them. It's not that hard if you try. I can't recommend it enough.

8.2 BOY Hi, Gabriella. What's up? What are you doing?

GIRL Oh, hi Ethan. I'm just looking at this photo. Check it out. I look terrible I'd love to change it.

BOY Change it? How?

GIRL Well, it's really dark so I'd like to make it a bit lighter and delete those red eyes, but I don't have a clue how to do that.

BOY Oh, for that you really ought to try PhotoStar. It's the best thing for changes like that.

GIRL Is it easy to use?

BOY Oh yeah! Seriously, I can't recommend it enough. I use it all the time. And it would be ideal for fixing this photo.

GIRL Great. I think I'll download it then.

8.4 GIRL Ethan, I've got that app. So, what now?

BOY Yeah, do you want me to show you how to use it?

GIRL Yes, please. To be honest, I don't know where to start.

BOY First, you switch on the edit feature. Then it has these ready-made tools to make small changes to the photo.

GIRL Oh, look. You deleted the red eyes!

BOY Well, not really. I just painted over them. It's got this handy paint feature. It's the best thing for changing photos like that. And now I'll just make it brighter ...

GIRL And it looks very easy to use! A no-brainer.

BOY It is! I can't recommend it enough. And you ... you look really nice.

GIRL Ooh! ... Thanks Ethan.

BOY Let me guess, Megan's dad walked in!

GIRL No! But you're close. Basically, what happened was that I was doing all these silly dances and Megan's older brother was right behind me the whole time!

BOY Oh no! Was he watching you?

GIRL Of course! So anyway, I turned around and there he was ... laughing his head off, and to make matters worse he was making a video of me dancing with his mobile phone.

BOY Hey! He can't do that!

GIRL The next thing I knew Megan grabbed his phone and they got into a big fight. In the end he deleted the video and now we're all friends again ... sort of.

And to make matters worse, Freya just stood there nodding her head and saying 'Sí, sí, sí'..

BOY But did Freya understand what the man was saying?

GIRL No!! She doesn't speak a word of Spanish ... Basically, what happened was the man finished speaking and then Freya said 'Sí, sí, sí'! The couple smiled and said, 'Muchas gracias' ... Thanks very much ... and walked off down the high street!!
