- | | | |
|------------------------------------------|-----------------------------------------|------------------------------------------|
| 1 <input checked="" type="radio"/> cover | button | key |
| 2 lens | display | <input checked="" type="radio"/> plug |
| 3 <input checked="" type="radio"/> key | strap | handle |
| 4 cable | <input checked="" type="radio"/> button | plug |
| 5 lid | cover | <input checked="" type="radio"/> display |

5 Circle the correct options.

My grandmother recently told me about the time she ¹☒ signed up / ended up for computer lessons, 30 years ago. Her first class ²☒ turned out / went through very badly. The instructor told them to type a letter. First, she didn't know which ³key / ☒ button to press to switch the computer on, so the ⁴lens / ☒ display stayed black. She finally managed to type a paragraph, but then she pressed the delete ⁵lid / ☒ key and lost it all and had to ⁶☒ go back to / move to the beginning. The class was almost over when the instructor said: 'OK, Advanced Computer Skills lesson two will be on Friday.' That was when she realised she'd ⁷☒ ended up / gone through in the wrong class!
