

## Internet shopping

## 1 Write the words and expressions under the correct pictures.

account basket checkout deals deliver  
gift voucher order sign in

1 You can pay for things with  
a gift voucher.

2 You need to put things in  
your basket.

3 You need to sign in to your account before  
you can shop.

5 Check your address so  
they know where to  
deliver your items.

6 Check your checkout  
before you pay.

7 Go to the checkout and pay.

8 Look out for good  
deals on the website.

2 Read the clues to words and expressions in  
Exercise 1 and write the answers.

- These are products with a special price.  
deals
- This shows the items you have selected to buy.  
basket
- You usually need one before you can buy things on a website.  
account
- This means 'bringing the product to your house'.  
deliver
- You do this when you enter your account details on a website.  
sign in
- This is the place on the website that you go to when you want to pay.  
checkout
- If you have this, you don't need to pay with money.  
gift voucher
- A request to make, supply, or deliver food or goods.  
order

3 Complete the conversation with words  
and expressions from Exercise 1.

- A OK. Let's look at the <sup>1</sup> basket.  
Have we got everything?
- B Yes ... err, no. Let's look at today's  
<sup>2</sup> deals first. ... Oh, they haven't  
got anything very good.
- A OK. Let's go to the <sup>3</sup> checkout.
- B So, the total price is £76.56. But we've  
got a <sup>4</sup> gift voucher for £20. Can we  
use that?
- A Yes, it says here that we can. What  
address do we want them to  
<sup>5</sup> deliver to?
- B Here, of course! We'll need to check  
when it will arrive because some of the  
products come from Hong Kong.
- A How do we do that?
- B It's easy. You just <sup>6</sup> sign in to your  
<sup>7</sup> account to check your  
<sup>8</sup> order.
