Hey Maria,
How are you? This is my first week in our new house and I'm not very happy about it because my sister and I have the same bedroom. I love her but she's a bit lazy and she's often rude to me. She put all her posters up on the walls and I can't put any of my posters up now. Her things are always on the floor, on her bed, on the computer and I always tidy up her mess. And listen to this. She doesn't want to keep my goldfish in the room because she doesn't like fish. So, now I keep it in the kitchen. And guess what! This week she's painting one of the walls black because she thinks it's trendy. I can't live in a black room. No way! It's a real problem. What can I do? Write back soon.

LOCKED IN

My uncle Fred worked as a security guard at the Natural History Museum. He really liked his job but one night a very strange thing happened. It was late and he was alone in the museum. He was walking through the *Dinosaur Room* when he heard a noise in the *Large Sea Animals Room*. He ran there and saw a shadow behind a whale, but it was dark and he couldn't see well. Then, the shadow moved and a whale almost rolled on top of him. He was so scared, he ran out of the room and ran all the way to the police station. When they went back to the museum, they found a scared young boy. The police called the boy's parents. The boy and his brother were at the museum earlier that day. But when the museum closed, the younger boy got locked in. His parents were very happy to see him again.

Read the letter and write T for True or F for False.

Dear Mark,

I'm writing to you from my new flat in the city. I'm living with my brother now. The flat is great and it's very modern. It's got large windows, a big balcony and two bedrooms. Unfortunately, I'm sleeping in the smaller room, but the view is better. The neighbourhood is really safe, and the underground stops right in front of our block of flats. It's amazing how easy it is to get around. In the city centre, there are many great shops, restaurants and museums! I love living here. The only bad thing is that sometimes it's noisy. Last night, the traffic was very bad and I couldn't sleep. Anyway, come and visit me sometime. Maybe this weekend? We can spend the day in the city centre and have a great time!

Write back soon,
Lee
