## **6B** Past simple (affirmative): regular

**Aims:** To review and practise regular past simple verbs.

**Time:** 10–15 minutes

**Materials:** 1 handout for each student

### **Exercise 1**

- Give each student a handout and ask them to read the text quickly. Ask: *Where did Patrick Leigh Fermor walk to?* (Istanbul).
- Ask students to complete the gaps with the past simple form of the verbs in the box. You might want to remind students of the spelling rules for past simple forms.
- Check answers by asking students to take turns to read out sentences from the text.

### **KEY**

1 studied   2 moved   3 wanted   4 decided  
5 started   6 walked   7 visited   8 learned / learnt  
9 chatted

### **Exercise 2**

- Students work individually to read through the sentences ticking those that are true for them.
- Ask students to compare their answers in pairs before they rewrite the other sentences so that they are true for them.
- Check answers by asking students to read out their sentences. As they do, ask other students to put up their hands if the sentences are true for them as well.

### **Exercise 3**

- Students work in pairs. They should write sentences about their partner that they think are true using the prompts and some of the verbs. Set a time limit of five minutes.
- When they have written the questions, the pairs talk to each other to see how many sentences are correct. Encourage students to correct each other if the sentences are wrong.
- Students score points for each correct answer. Find out who has the most correct answers at the end.
