## Reading

### 8 Read the text. Match sentences A–F with gaps 1–5. There is one extra sentence.

#### The Piano Man

<sup>1</sup> \_\_\_\_ He was in his twenties. He had a black jacket, smart trousers and a tie. But strangely, all of his clothes were completely wet. He couldn't answer any questions about who he was, or where he came from. It seemed that he didn't have any memory.

The police came and asked him questions, but still he didn't speak. They tried to find out if someone pushed him into the sea or if he fell from a boat. But the man couldn't tell them. He seemed terrified. And nobody knew who he was.

Soon after, they took him to hospital. At the hospital, one of the doctors had a brilliant idea. She gave him some paper. <sup>2</sup> \_\_\_\_ The doctors were very excited and took him to a room with a piano. He started to play a beautiful piece of music and he was calm for the first time. For many weeks after this, he didn't speak, but he only communicated with his music. He played for three to four hours every day. Sometimes he didn't want to stop playing and the doctors had to pull him away from the piano. <sup>3</sup> \_\_\_\_

<sup>4</sup> \_\_\_\_ A few months later, his father recognised him from a photo and they discovered that he was from Germany. He started to speak to the doctors and he confirmed that he was German and he flew back to his family. A friend of his family spoke on German television and said that nobody could understand why he ended up in England. <sup>5</sup> \_\_\_\_

- A The young man drew a picture of a piano on it.
- B The doctors called him the 'Piano Man.'
- C In 2005 some walkers discovered a man on a road by the sea in the east of England.
- D And it is still a mystery today!
- E He made a paper aeroplane and threw it into the air.
- F Eventually, the police took a photograph of him and started a social media campaign to discover who he was.
