7 Grammar Review

Aims: To review and practise the second conditional and past perfect. This can be completed when students have finished the unit.

Time: 15–20 minutes

Materials: 1 handout for each group of three or four students. You will also need a dice and counters.

- Divide students into groups of three or four. Give them a copy of the board game, a dice and counters. Tell them to place the counters on START.
- The first student throws the dice, moves their counter and completes the sentence. If they can't complete the sentence or make a mistake, they go back three spaces.
- The winner is the first person to the FINISH! square, or the person on the highest number when you stop the game.
