## 2D Present perfect simple and continuous

**Aims:** To review and practise the present perfect simple and continuous.

**Time:** 10–15 minutes

**Materials:** One handout for each student

### Exercise 1

- Give each student a handout and ask them to do exercise 1. Point out that the sentences are in pairs, so students should look carefully at each pair of sentences and think about which one describes an ongoing activity and which one describes a completed activity.

#### KEY

1 painted 2 been painting 3 been watching  
4 watched 5 been preparing 6 prepared  
7 been doing 8 done

### Exercise 2

- Ask students to read through the whole dialogue first and then ask a couple of comprehension questions to check that they've understood the gist: *What is Joe's problem? (His laptop is broken.) Why has Martin got a new phone? (Because his new company gave it to him.) Where is Martin's new house? (Farm Street.)* Students can then work individually or in pairs to complete the dialogue.

#### KEY

1 Have you been working  
2 haven't been working  
3 've been trying  
4 Have you taken  
5 've been calling  
6 have you been trying  
7 's been working  
8 has he left  
9 's moved  
10 Have you seen

### Exercise 3

- Students work in groups to think of reasons for the situations described. Read out the example sentence and elicit the tense (present perfect continuous). Remind students to use the present perfect continuous for ongoing situations and the present perfect simple for completed activities.
