3 **SPEAKING** Work in groups. Play the long sentence game.

a few   a little   any   little  
many   most   much   no   some

**Student A** Make a sentence beginning *We've got ...* and ending: *in our house*. Include one of the qualifiers above.

We've got a few computers in our house.

**Student B** Repeat Student A's sentence and add another item + quantifier.

We've got a few computers, but no electricity in our house.

**Student C** Repeat Student B's sentence and add another item + quantifier.

We've got a few computers, but no electricity and very little space in our house.

Continue around the group for as long as possible.

## **5B** Quantifiers

**Aims:** To review and practise a range of different quantifiers.

**Time:** 10–15 minutes

**Materials:** One handout for each student

### **Exercise 1**

- Give each student a handout and ask them to choose the correct quantifiers to complete the sentences in exercise 1. Remind them to look carefully at the noun after each gap and to think about whether it is plural or singular, countable or uncountable. Check answers with the class.

#### **KEY**

1 much 2 any 3 Some 4 Both 5 many  
6 a little, every 7 None

### **Exercise 2**

- Students complete the text with the correct quantifiers. Students can work on this exercise in pairs and then check their answers with another pair of students.

#### **KEY**

1 b 2 a 3 a 4 c 5 b 6 c 7 b 8 b 9 c 10 c  
11 a

### **Exercise 3**

- Students try to make an increasingly long sentence by adding quantifiers and more nouns. Ask different students to read out the example sentences and check that they understand how the game works. Then divide students into groups of three or four to play the game.
