4 Circle the correct words to complete the text.

A night at the opera

I love opera, and despite the high ticket prices, I often go to the theatre to watch them. What I hate, though, is the disgusting noises that people make while they're watching. All you hear in the auditorium is the sound of people noisily ¹**clearing / cleaning / gasping** their throat as if they are about to start singing. The last time I went, the man next to me clearly had a cold, and kept ²**slurping / snoring / sniffing** all the time. In the end, I gave him my handkerchief. And the girl behind me started ³**sighing / hiccupping / tutting**, and just couldn't stop. Her friend hit her on the back, and she tried drinking water, but it didn't work. In the end, she had to walk out. I don't mind when people ⁴**gasp / cough / sniff** in amazement when the action on stage is exciting or shocking, or ⁵**snore / sneeze / sigh** when something sad or romantic happens, but making horrible noises while people are trying to listen really is a pain!
