Talk Time

—the course that gets everyone talking!

Talk Time gives students the **time to listen** to English and the **time to talk** with classmates. Every lesson builds confidence, starting with vocabulary presentation and gradually building up to free-speaking practice. The speaking practice and listening activities present English in everyday situations so students learn how to:

- Talk about past experiences and the things they want to do
- Express likes and dislikes
- Make requests and give advice
- Talk about their hobbies and pastimes

Talk Time gives students all the help they need to feel confident about conversation:

- The **grammar-based syllabus** and **themed vocabulary** builds fluency through recycling
- **Language notes** help students keep talking
- **Memos** remind students about the rules of English
- **Check your English** page for each unit reviews progress
- The **Student CD**, containing audio highlights, provides extra listening practice outside the classroom

**Available in 3 levels —
false beginner to low intermediate**
