Дорогие родители!

Вы держите в руках учебник для 1-го класса, который поможет вашему ребёнку сделать первые шаги в изучении английского языка.

«Владеть иностранным языком» — значит понимать иностранную речь на слух, уметь выражать свои мысли в устной или письменной форме на иностранном языке и извлекать информацию из текста. Это то, чему научится ваш ребёнок на уроках английского языка к окончанию школы.

В 1-м классе дети будут слушать английскую речь (от учителя и на кассете), говорить (повторять услышанное, заучивать песенки и стихи, использовать в общении заученные фразы) и много играть. Игры, песни, стихи, разыгрывание сценок позволят детям непроизвольно запомнить новые слова и фразы, чтобы использовать их в своих высказываниях.

В этом году обучение чтению и письму не предполагается, однако интерес ребёнка к графическому образу слова можно поощрять. Во втором полугодии дети познакомятся с алфавитом, что подготовит их к чтению.

Текст, помещённый на страницах учебника, позволит вам увидеть, с каким языковым материалом ребёнок работал на уроке. Все новые слова вынесены на первую страницу каждой главы. Не волнуйтесь, если ваш ребёнок не сразу запоминает новые слова. Дети этого возраста накапливают знания постепенно, а материал учебника постоянно повторяется в разных ситуациях.

Задания, отмеченные символом , записаны на кассетах (песенки, стихи, комиксы, истории), работа с которыми будет проходить практически на каждом уроке. Дополнительное прослушивание кассет дома будет очень полезным для отработки навыков произношения и умения понимать английскую речь на слух.

В конце книги (с. 103) вы найдёте перевод инструкций к упражнениям в учебнике.

Коллектив авторов желает вашему ребёнку успехов в изучении английского языка и надеется, что каждый урок принесёт ему радость.
