2 Read and tick ✓ the true statements.

Dear Abby,

I have a problem at home. I love my sister, but she's terrible! She puts on my clothes, reads my books and chats with my friends! She doesn't help me tidy our room, all her things are on the floor! Yesterday she was in the living room watching TV and I went to the bathroom to have a shower. When I opened our bedroom door, I saw her there, listening to music on my phone. And my favourite blue dress was on the floor. That's it! I can't stand her! What can I do? Claire

→ Dear Claire,

I have got a sister, and I understand you. But you have to understand your sister. She loves you and she admires you. Yes, that's true. She wears your clothes because she thinks they're amazing. And she wants to read your books and chat with your friends because you're a model for her. I know this is not easy, but talk to her. Now you have to be calm, don't talk to her when you're angry. Remember, be calm. Abby
