Aim

to practise phrases from the unit

Activity type

a matching activity

Classroom dynamics

pairwork

Time taken

10 minutes

Preparation

You will need one copy of the activity sheet for each pair, cut up into one set of white cards and one set of grey cards.

Procedure

- 1 Divide the class into pairs. Give each pair one set of grey cards and one set of white cards, face down in two piles on the desk.
- 2 Explain to students that the grey cards show useful phrases from the unit, and the white ones show the definitions. In their pairs, students have 5 minutes to match the words with their definitions. Tell students that this is a race and the pair to correctly match the most cards wins. If they have finished matching before the time is up, they should put their hands up.
- 3 Start the race. Monitor students but do not provide any help at this stage. Make a note of the order in which pairs raise their hands, as the first to finish might not be the winners if they haven't matched all the cards correctly.
- 4 Stop the activity after 5 minutes. Ask the fastest pair to read out their first phrase and definition. If students have matched the cards correctly, they can put them on a 'correct pile'; incorrect cards are put aside. Go around the class to check the rest of the words and definitions. The pair with the most correctly matched cards wins.

Adaptation and extension

- To extend the activity, ask pairs to take turns making sentences with the phrases. Monitor to make sure students are using the phrases in the correct context.
- For weaker classes, the activity can be completed with fewer pairs of cards.
- This activity can also be done individually or in groups of three.
