

7B What's the word?

Aims

- to review vocabulary from the unit
- to practise open cloze task skills

Activity type

a game in which students guess the missing words to complete sentences

Classroom dynamics

pairwork

Time taken

10 minutes

Preparation

You will need one copy of the activity sheet per pair, cut up into cards.

Procedure

- 1 Divide the class into pairs and give each pair a set of cards placed face down in a pile on the desk.
- 2 Tell students they are going to play a game in which they guess the word that completes a sentence.
- 3 Student A takes a card and reads the sentence out to their partner, indicating where the missing word is with a pause. Remind them not to read out the word in brackets, which is the answer! Student B then repeats the sentence, trying to complete it with the missing word. Student B has two chances to guess the word on the card. If they guess correctly then Student B keeps the card. If not, Student A reveals the missing word and places the card to one side.
- 4 Students continue guessing the hidden words until the cards run out, or as time allows. The winner is the student with the most cards.

Adaptation and extension

- To extend the activity, or for fast finishers, students can work individually or in pairs to write their own gapped sentences for other students/pairs to complete, using vocabulary from the unit.
- Weaker students could complete the task with the unit wordlist open on the table. Emphasise that the language for the task has been taken from across the whole list.
