Right. I'd better do this 'Friend finder' quiz. First off ... 'name and age': Sam Carter, age thirteen ... well, it's my birthday very soon, but I'm thirteen now.

OK, number one: 'What's your favourite colour?' Hmm ... Green? No. NOT yellow. Red? Nah. Blue, I guess.

OK, question two: 'What's your favourite animal?' A cat, a dog or a horse? Or 'other'? A dog, of course!

Er ... question three. Oooh, my favourite food? That's easy: Italian, for sure. Chinese is nice. Mexican is good, but spaghetti is my favourite! Mmm!

Four: favourite hobby. Music? No, it isn't my favourite. Computer games – maybe. Well, photography ... Yes, that's my answer.

Last one: 'What's your favourite sport?' Football, of course – and Chelsea is my favourite team. Swimming – no way! Basketball – not really.

I: That's great. When did you make it?
