

3C A FUN DAY

Today, we had an activity day at school. It was great!

First, we did a puzzle in teams.

The puzzle had lots of different coloured shapes.

We worked together to make a picture from the shapes.

When we finished the puzzle, we had lunch.

At lunchtime, we had a picnic in the school field.

I had sandwiches, an apple and some cake – yum!

After lunch, there was a sports competition.

I played table tennis in the competition.

I didn't win any of the matches, but it was fun.

At the end of the day, there were prizes.

I got a prize for working well in a team.

When I got home, I showed my prize to my sister.

Now she wants to have an activity day, too!
