

# 5B ENTERTAINMENT HALVES

It's a very popular show, so you have to book	the tickets in advance
My favourite group has recorded	a new album!
The audience clapped	the actors at the end of the play. It was great!
The show is great for teenagers. It entertains	but also educates.
I read online they started filming	the new season of my favourite series.
We were too late to book	seats for the concert as they had all been sold
If you could interview	your favourite celebrity, what would you ask them?
Have you ever performed	in a school play?
The film's main actors were interviewed	in last night's talk show.
"We've just recorded	a great song," the band announced.
I like to read the web pages where they review	the latest films and series.
The museum was closed today. They were filming	scenes from a thriller in some of the rooms.
