2 Read and tick the correct statements.

Hilton Crest

Hilton Crest is a secondary boarding school. At the weekend, students go home and stay with their families.

Hilton Crest is a special type of school. Students can choose the subjects. There are no regular Maths, Language or Geography lessons. Students get up at 7. After a bath and breakfast, school starts. All the teachers are in their classrooms and students go to different classes. They stop at 12.30 for lunch and start again at 2 in the afternoon. Classes finish at 4. All the students do PE from 4 to 5. They can choose different sports and gym. At 5, students have a shower and then they meet in the main hall for tea and toast. They have some time to study and do homework from 6 to 7. They have some free time to play and chat with friends. Dinner is at 9, and 10 is the time to go to bed.

Here are some opinions. "We are not bored at school. We're very excited! The system is great. In other schools, you have Maths for 5 or 6 years. In this school, you do Maths one year, and you can choose when. The system is similar for all the subjects. The exception is PE: we have PE every day."
