

## Technology

Imagine you are a web-designer. Your client wants to add some more products to the website and sent you this list. The computer has a virus and a little problem happened.

To: WebDesign Genious

From: Best Tech

Subject: Pls include these products in the homepage.

Hi, there!

Please include these products in the menus of the webpage.

I've got a virus in my computer. Look what it does to what I write.

Sorry about that!

Cheers,

Nicolas
