Hi, Maggy

I'm so happy in Oakville, my new town! I want to tell you about it. It's the smallest in the area, but I love it. My house is in St. Martin. It's a quiet area, but it is not the quietest. That's Rose Park.

I have to walk a lot because there are no shops in my area. The nearest shop is about 10 minutes from home, but that's OK. Walking is good for your health. Mum gets there in 10 minutes, but I usually take 7. We go to the shops when we need food. When we buy clothes or books we go to the shopping centre. We go by bus, there are no trains. I can't ride there because there are a lot of cars, so it is not safe. You know I am careful!

I know I'm happier than my sister, she doesn't like it that much, but she's going to make friends, I'm sure. People back there are not very nice, and here it's quite different. That's a good thing.

How's Matt? Does he sing happily every morning? ☺ ☺

Write to me.

Love

Jen
