**Bea2** Hi, Kira. Your page is fantastic! I like your followers' comments and recommendations. I'm fifteen, and I'm a fan of short stories. I read them at school, at home, at the club, when I'm on holiday ... I can't stop! I love Kurtz' short stories, they're fantastic. My life? Well, I go to school, back at home I do the homework, and I watch TV. Not soap operas, I hate them! My mother watches them all the time ... Bye!

**Matt.fun** Hello! I like your page. I am never at the cinema. I spend my free time at the club playing football with my friends. No homework. Novels or short stories? No, thank you. Comics and graphic novels are my thing. I can recommend Brian Vaughan's graphic novels, they're fantastic. My brother wants to read them, but I say no. Bye!
