Dear Ted,

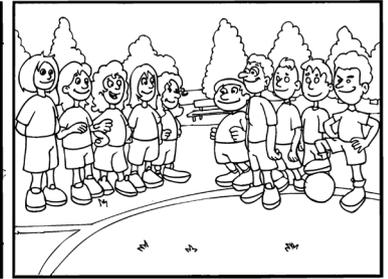

I got your letter last month. Sorry for not writing for so long but I didn't have anything to write about until now.

Last week my mates and I went to the park to play football. There were five of us, so Steve played in goal and the rest of us were just trying to score against him. Five girls walked over from the other side of the park and asked us for a game. At first we said no, of course, but when they called us 'chickens', we decided to show them who's best. You won't believe it! They were brilliant. We just couldn't get the ball off them. We lost 10-2. Everyone at school knows. 10-2! I'm so embarrassed.

Special effects in films have been around for many years. The first film to win an Oscar for the best special effects was *The Rains Came* back in 1939. Nowadays, special effects are amazing and you can easily forget the plot of the film and just watch the effects. One of the first films to use computer special effects to create a character was *Young Sherlock Holmes* in 1985. Powerful computers are needed to make special effects. It takes time and costs a lot of money but it's usually worth it and most films today have them. The three *The Lord of the Rings* films were made in 2001, 2002 and 2003 and all three won Oscars for the best special effects. And it's easy to see why!

Read Kate's diary page below and complete the sentences.

Dear Diary,

It's been a week since I moved here to Krakow and I'm trying to get used to my new life. I spent the first days walking around the city seeing the sights. Our flat is lovely, but the weather is so nice that I enjoy spending my time outdoors. It's warm and sunny at the moment, but the people who live here say that in the winter things are different. I really can't wait for the temperature to drop and the city to be covered in snow. Today my parents and I have organised a day trip to the Old Town. We're going to the Wawel Royal Castle, which used to be home to kings and queens in the past but now it's a museum. I'm really excited.

Hi Craig,

My name's Freddie English and I'm your new e-pal. Here are a few things about me. I play lots of sports and I'm quite fit and healthy. But I'm a bit chubby. I'm trying to lose weight at the moment. I'm not eating hamburgers and chips, or pizza. Well, I think pizza's horrible anyway. What about you? What do you like eating?

I'm quite funny and I make my friends laugh but I'm not at all adventurous. I'm really scared of bungee-jumping and roller coasters. And you?

My town is a bit boring but I like it. There's a great Internet café near my house. Do you like computers? I've got lots of computer games and I surf the Net all the time. Have you got a computer? I want to get a new one but they're a bit expensive. I might get a part-time job soon to make some extra money.

Do you like music? I'm going to be famous one day. You see, I'm the lead singer in a band and we're very good. Well, I think so, anyway.

Write me an e-mail about you, OK?

See you!

Freddie

Read the e-mail and write T for True or F for False.

- Freddie's on a diet at the moment.
- Freddie's crazy about bungee-jumping.
